EN-UK

Consulting and auditing firm, specialized in advertising and communications. We have a full-time and exclusive dedication to the attention of companies in the Advertising activity and the Communications sector.

REPUTABLE AND QUALIFIED

Emilio Sánchez, its founding partner, has a vast career in this industry, advising companies related to the sector since 1988. Recognized by the advertising market as a source of permanent consultation on topics of its specialty.

Due to our history, it has become one of the most important Integral Consulting companies in the advertising and communications market.

OUR SPECIALTY

We have advised agencies and companies in the following areas:

- Advertising
- Digital and Interactive Marketing
- Public relations

"Financial management is at the heart of any business. It is one area that can help drive it forward."

OUR SERVICES
